

How to get to Swissmetal Plant Dornach / Swissmetal General Management

By airplane

- Euro-airport Basel/Mulhouse/Freiburg
- bus or taxi to the SBB railway station in Basel
- from the station you can take the railway or the tram to "Dornach/Arlesheim"
(see also "by train" or "by tram")

By train

- SBB railway station in Basel
- take the train towards "Laufen-Delémont-Moutier" (5 connections per hour; 2 connections approx. 7 minutes, 3 connections approx. 24 minutes)
- get out at the station "Dornach/Arlesheim"
- it is 15 minutes' walk to the Swissmetal plant (see also "by foot")

By tram

- in front of the railway station SBB Basel you take the yellow tram No. 10, direction "Dornach/Arlesheim"
- leave the tram at the last stop "Dornach/Arlesheim"
- it takes a 15 minutes walk to the Swissmetal plant (see also "by foot")

By car

- motorway A2 to Basel
- take the motorway J18 in direction of "Delémont"
- exit "Reinach Süd"
- continue in the direction of "Dornach" (Industrie)
- pass three roundabouts
- turn left toward "Industrie Weiden"
- after 700 m turn left into the plant area of Swissmetal
- go straight for 200 m to the main entrance. The visitors' carpark is to the left of the reception

To Swissmetal' Dornach plant on foot

- from the "Dornach/Arlesheim" train station go straight on to the "Amtshausgasse" until you reach a roundabout (approx. 200 meters)
- at the roundabout turn left into the "Bruggweg"
- after 300 meters turn right into the "Weidenstrasse"
- after another 700 meters turn right towards the Swissmetal plant
